Job title Design and Technical Assistant

Company name and AY Group Community Services CIC

Job summary (Outline of the job description including key responsibilities and detail of the skills the young person will develop and details of homeworking. Please provide as much detail as possible Please do not use bullet points)

An exciting opportunity has come up for a Design and Technical Assistant to join our team as part of the Kickstart Programme.

For information on Kickstart please click here [Kickstart website](#)

This placement will be within the design and technical team in AY Group Development. We look at the architectural and engineering drawings for our new buildings and homes and make sure that these meet our standards. There are lots of things that we look at to make sure that our future residents will be happy. For example, we ensure that the furniture can fit, that people will have privacy, that they will get enough light and air and that they won't be too hot in the Summer.

This placement would be an introduction to this work that we do. We would show you how to read drawings and understand the sizes and scales of things. You might even be interested in thinking about and designing your own home!

Commitment:

The role requires at least 15 hours office support per week and to be able to attend office two to three times per week (arranged in advance). Also, a commit of at least three months. The normal office hours are 10 AM to 3 PM and you are required to bring their own lunch. Travel expenses (if any) must be agreed upon in advance with the CEO and will be paid at the end of the month. There may be the opportunity to attend other events or activities associated with the charity if wished. You will be expected to work within the ethos of AY Group Community Services CIC and have high standards of practice. The need to respect confidentiality is paramount, as is a responsible and flexible approach to the work.

Essential skills, experience and qualifications (please do not use bullet points)

- Commitment and willingness to try
- No fear of asking questions and learning by doing
- Good interpersonal skills and ability to work as part of a team
- Ability to work independently, exercising good initiative and judgement
- Excellent written and verbal communication skills
- Good IT skills including knowledge of Microsoft Word, Excel, conference calls, etc
- Good time management and prioritisation skills
- Accuracy and attention to detail
- Ability to work under pressure and meet deadlines and targets
